

## November 2020

Last month we celebrated a number of our outstanding saints. This month we're highlighting prayers from St. Teresa of Avila and St. Faustina Kowalska.

With the darker evenings we're also listing some resources you may like to dip into in these difficult times - and a reminder of the importance of saying the Rosary!

### St. Teresa's Bookmark prayer

St. Teresa of Avila, the celebrated Carmelite nun, mystic and Doctor of the Church, wrote this prayer in the 16th century. It's called St. Teresa's Bookmark because, according to tradition, this great saint carried it around in her prayer book, where it was found after her death in 1582. It seems very fitting at present.

**“Let nothing disturb you,  
Let nothing frighten you,  
All things are passing;  
God only is changeless.  
Patience gains all things.  
Who has God wants  
nothing.**

**Blessed Carlo Acutis** (3 May 1991 – 12 October 2006) was an English-born Italian Catholic schoolboy and amateur computer programmer. He was best known for documenting Eucharistic miracles around the world and cataloguing them all onto a website that he created in the months before his death from leukaemia. He was noted for his cheerfulness, computer skills, and deep devotion to the Eucharist, which became a core theme of his life. He was beatified on 10 October 2020. The website he created has been translated into many languages. You can view it here: [www.miracolieucaristici.org/](http://www.miracolieucaristici.org/) click on the gallery at the bottom of the web page to see details of Eucharistic miracles.

### Prayer to the Servant of God Carlo Acutis

Dear Father,  
Who has given us the ardent testimony  
of the young Servant of God, Carlo Acutis,  
who made the Eucharist the core of his life  
and the strength of his daily commitments  
so that everybody may love You above all else,  
let him soon be counted among  
the Blesseds and the Saints in Your Church.

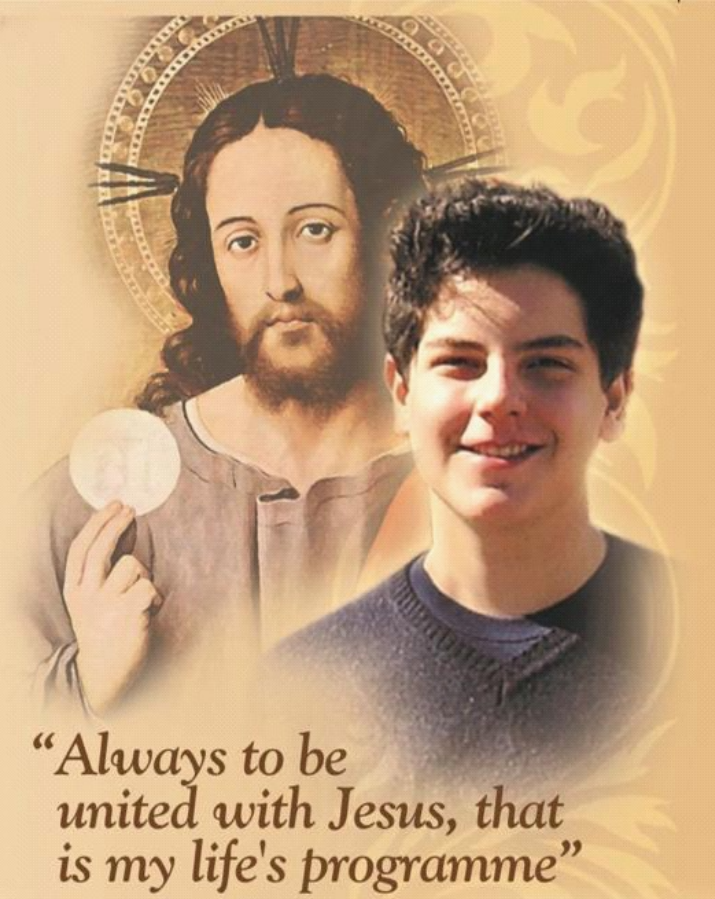

Confirm my Faith,  
nurture my Hope,  
strengthen my Charity,  
in the image of young Carlo,  
who, growing in these virtues,  
now lives with You.

Grant me the grace I really need....

I trust in You, Father, and your Beloved Son Jesus,  
in the Virgin Mary, our Dearest Mother,  
and in the intervention of Your Servant, Carlo Acutis.

*Our Father, Hail Mary, Glory Be*

**“Always to be  
united with Jesus, that  
is my life's programme”**

## Divine Mercy image and prayers

**The Divine Mercy** prayers were given to St. Faustina by Our Lord in the 1930s in Poland. They are easy to learn and are said on Rosary beads.

We have also been encouraged to print off a copy of the Divine Mercy image and place it in our windows or front doors at these difficult times - just as the Israelites were asked to mark their doors with the blood of a lamb to escape the angel of death.

The Lord said to St. Faustina, "By means of this Image I shall be granting many graces to souls; so, let every soul have access to it" (Diary, 570).

### **Divine Mercy Prayers:**

Make the sign of the Cross

**O Blood and Water, which gushed forth from the Heart of Jesus as a fount of mercy for us, I trust in You!** (Repeat three times)

Say the Our Father, Hail Mary and Apostles' Creed

At the beginning of each decade:

**Eternal Father, I offer you the Body and Blood, Soul and Divinity of Your Dearly Beloved Son, Our Lord, Jesus Christ, in atonement for our sins and those of the whole world.**

On each of the 10 beads in each decade:

**For the sake of His sorrowful Passion, have mercy on us and on the whole world.**

Final prayer (repeat 3 times)

**Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and on the whole world.**

*Kathy has some spare leaflets with these prayers if you would like one.*

## The Power of the Rosary

**Our Lady has constantly reminded us of the power of the Rosary in our spiritual battle to intercede for our family and for peace in our troubled world.**

**Sister Lucia - one of the visionaries at Fatima said this:**

"The Most Holy Virgin in these last times in which we live has given a new efficacy to the recitation of the Rosary to such an extent that there is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families...that cannot be solved by the Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary." -Sister Lucia dos Santos of Fatima.

**And here is a lovely quote from St. Therese of Lisieux:**

"The Rosary is a long chain that links heaven and earth. One end of it is in our hands and the other end is in the hands of the Holy Virgin...The Rosary prayer rises like incense to the feet of the Almighty. Mary responds at once like a beneficial dew, bringing new life to human hearts."

## Here is the October 25, 2020 Message from Our Lady, Queen of Peace of Medjugorje.

"Dear children! At this time, I am calling you to return to God and to prayer. Invoke the help of all the saints, for them to be an example and a help to you. Satan is strong and is fighting to draw all the more hearts to himself. He wants war and hatred. That is why I am with you for this long, to lead you to the way of salvation, to Him who is the Way, the Truth and the Life. Little children, return to the love for God and He will be your strength and refuge. Thank you for having responded to my call."

**Don't forget to send us your ideas and pictures for Columbine. These are always very welcome. Email Jan or Kathy**

### And on a lighter note....

### Ideas for these dark evenings

Some books which are well worth a read:

**Screwtape letters** by CS Lewis

**Calls from the message of Fatima** by Sister Lucia

**Heaven is for real** by Todd Burpo

**My heart will triumph** by Mirjana Soldo

We also take the publications Magnificat (daily mass readings, prayers and reflections published by Catholic Herald) and Bible Alive.

### Exercise for people over 60

Begin by standing on a comfortable surface, where you have plenty of room at each side.

With a 5lb potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, and then relax.

Each day you'll find that you can hold this position for just a bit longer.

After a couple of weeks, move up to 10lb potato bags. Then try 50lb potato bags and eventually try to get to where you can lift a 100lb potato bag in each hand and hold your arms straight for more than a full minute.

When you feel confident at that level, put a potato in each bag.

### Talks available on YouTube
