St Mark's church safety measures

Care has to be taken to ensure that churches continue to be places where people feel safe to gather to worship. Here in St. Mark's and Holy Family the measures that have been put in place to keep everyone safe will remain in place for now.

Use of hand sanitiser on entering the church.

Wearing of face coverings in church.

Ventilation of buildings (especially during and between services) Maintaining a good standard of routine cleaning.

Track and Trace (QR codes or paper slips) remain in use.

The Offertory Collection will remain as a static collection with remote or contactless giving continuing to be an option.

The physical exchange of the Sign of Peace remains suspended.

Holy Communion will continue under one kind.

Communion is recommended to be distributed in the hand, but if people wish to receive on the tongue, they should wait until the end of the communion line and receive.
